

And Twice on Sunday by Brad Sytsma

Directed by Margot Moser

Some people excel in high pressure situations. Others, not so much. What happens when a tightly wound individual becomes so focused on the task at hand that he misses all the clues. A comedic spin on one of the most basic elements of spy craft exploring a common foible of human nature.

Agent: A young man

Trench Coat: An older man

Agent 2: Man or Woman

Trench Coat 2: Man or Woman

Expecting Hamilton by Chip Bolcik

Directed by Kayla and Tammy Rush

Hannah really wants to see Hamilton, so they are standing in line to pick up the super-expensive tickets she bought. But Hannah's pregnant, and has been having contractions all day. Her husband, Seth, is worried about getting to the hospital until Hannah reveals that she paid a thousand dollars a ticket for the show. After that, all bets are off. Seth is determined to use those tickets. Hannah argues that they have to go to the hospital, but Seth doesn't believe her until her water breaks.

SETH - (20's) Handsome, thoughtful at first, then not so much.

HANNAH - (20's) Pretty, very pregnant, incredibly determined to see Hamilton until she can't do it anymore

Gorilla Gorilla by Mora V. Harris

Directed by Carol Newber

Two gorillas argue about a female being introduced to their enclosure and attempt to agree on which of them will be her mate, eventually facing the possibility that they may be the only gorillas left.

Nils – A male gorilla

Koda – A younger male gorilla

I Was Fine Until You Came in the Room by Rich Orloff

Directed by Erin Leyba

A man and a woman meet in an art gallery and don't know what to say to each other, but their conversation has ramifications that last generations.

YOUNG PETE: a slightly shy and awkward man in his 20's

OLD PETE: 51 years older than Young Pete

YOUNG HELEN: a slightly shy and awkward woman in her 20's

OLD HELEN: 51 years older than Young Helen

Small Talk By David MacGregor

Directed by Bill Green

A recently engaged couple visit a counsellor in hopes of resolving the one problem in their relationship.

RACHEL: A woman in her late 20s-30s.

ANTHONY: A man in his late 20s-30s.

DR. COOPER: A woman in her 30s-50s.

MATT: A delivery man in his late 20s-30s.

Testimonial by Jack Rushen

Directed by Elizabeth Smith

An insecure College professor in the early stages of Alzheimer's, meets a former student after his Testimonial dinner, and finds his elusive self worth through her kind words and actions..

Dr. Hilliard: Retiring Professor. Very stately, charming. Bow tie.

Allison Healy: Returning student, early 20's
